2. Grand/Jackpot Prize Payments
 - a. Prior to each drawing, the Powerball Product Group shall determine the estimated Grand/Jackpot Prize amount to be advertised. The actual Grand/Jackpot prize shall be determined on a pari-mutuel basis. The amount to be awarded to each Grand/Jackpot winner(s) shall be based upon the prize money allocated to the Grand/Jackpot prize pool, equally divided by the number of tickets with Powerball Panels matching all five (5) of the Powerball Winning Numbers drawn for Field 1 and the one (1) Powerball Winning Number drawn for Field 2.
 - b. Grand/jackpot prizes shall be paid, at the election of the player, no later than sixty (60) days after the player becomes entitled to the prize, with either a per winner annuity or cash payment. An election made after the winner becomes entitled to the prize is final and cannot be revoked, withdrawn or otherwise changed.
 - c. If, in any Powerball drawing there are no Powerball Panels which qualify for the Grand/Jackpot Prize category, the portion of the Prize Fund allocated to such Grand/Jackpot Prize category shall remain in the Grand/Jackpot Prize category and be added to the amount allocated for the Grand/Jackpot Prize category in the next consecutive Powerball drawing.
 - d. If the Annuitized Grand/Jackpot Prize divided by the number of Powerball Panels matching all five (5) of the five (5) Powerball Winning Numbers for Field 1 and the one (1) Powerball Winning Number for Field 2 is equal to or greater than \$1,000,000, the Grand/Jackpot Prize(s) will be paid under the Annuity Option, unless a Cash Option was offered to and accepted by the Grand/Jackpot Prize Claimant as prescribed in the North Carolina Lottery Act, rules, policies or procedures. If no declaration is made by close of business on the 60th day after the prize has been claimed, the prize shall be paid under the Annuity Option. No Grand/Jackpot Prize payment will be processed until the Claimant submits a form irrevocably selecting a payment option, or the 60-day selection period lapses, whichever shall first occur.

CHAPTER 2 – GAME RULES

2.04A – POWERBALL GAME RULES

- e. Annuity Option Grand/Jackpot Prizes shall be paid in thirty (30) installments by the NCEL. The initial payment shall be paid upon completion of internal validation procedures and administrative processes of the NCEL. The subsequent twenty-nine (29) graduated payments shall be paid annually to coincide with the month of the Federal auction date at which the bonds were purchased to fund the annuity. All such payments shall be made within seven (7) days of the anniversary of the actual auction date.
 - f. Cash Option Grand/Jackpot Prizes shall be paid in a single payment upon completion of internal validation procedures and administrative processes of the NCEL. The Cash Option amount offered may be either the amount determined by multiplying the annuitized prize amount by a discount value set by Powerball Finance and Audit Committee prior to each drawing (the “Cash Equivalent Grand/Jackpot Prize”), divided by the number of Grand/Jackpot Prize winners, or the proceeds of the sale of bonds purchased to fund the particular winner’s share of the Annuitized Grand/Jackpot Prize amount, at the discretion of the NCEL. The Claimant has until the close of business on the 60th day after the date the Claimant submits a claim for payment to select the Cash Option Grand/Jackpot Prize method of payment. No payment will be processed under the Cash Option Grand/Jackpot Prize provision until the Claimant submits a form irrevocably selecting said payment option.
 - g. In the event multiple Powerball Panels match all five (5) of the five (5) Powerball Winning Numbers for Field 1 and the one (1) Powerball Winning Number for Field 2, and the Annuitized Powerball Grand/Jackpot Prize divided by the number of winning game panels is less than \$1,000,000, each Powerball Grand/Jackpot Prize winner shall be paid an amount equal to the Cash Equivalent Grand/Jackpot Prize divided equally by the number of Grand/Jackpot Prize winners. Each such Grand/Jackpot Prize winner will be paid in a single cash payment.
3. Second through Ninth Level Prizes
- a. Powerball Panels matching five (5) of the five (5) Powerball Winning Numbers drawn for Field 1, but not matching the Powerball Winning Number drawn for Field 2 shall be entitled to receive a Second Prize of \$1,000,000. Winning tickets with the Power Play feature shall be entitled to receive an increased Second Tier Prize of \$2,000,000.
 - b. Powerball Panels matching four (4) of the five (5) Powerball Winning Numbers drawn for Field 1 and the Powerball Winning Number drawn for Field 2 shall be entitled to receive a Third Prize of \$50,000*.
 - c. Powerball Panels matching four (4) of the five (5) Powerball Winning Numbers drawn for Field 1 but not matching the Powerball Winning Number drawn for Field 2 shall be entitled to receive a Fourth Prize of \$100*.

CHAPTER 2 – GAME RULES

2.04A – POWERBALL GAME RULES

- d. Powerball Panels matching three (3) of the five (5) Powerball Winning Numbers drawn for Field 1 and the Powerball Winning Number drawn for Field 2 shall be entitled to receive a Fifth Prize of \$100*.
- e. Powerball Panels matching three (3) of the five (5) Powerball Winning Numbers drawn for Field 1 but not matching the Powerball Winning Number drawn for Field 2 shall be entitled to receive a Sixth Prize of \$7*.
- f. Powerball Panels matching two (2) of the five (5) Powerball Winning Numbers drawn for Field 1 and the Powerball Winning Number drawn for Field 2 shall be entitled to receive a Seventh Prize of \$7*.
- g. Powerball Panels matching one (1) of the five (5) Powerball Winning Numbers drawn for Field 1 and the Powerball Winning Number drawn for Field 2 shall be entitled to receive an Eighth Prize of \$4*.
- h. Powerball Panels matching no numbers (0) of the five (5) Powerball Winning Numbers drawn for Field 1 but matching the Powerball Winning Number drawn for Field 2 shall be entitled to receive a Ninth Prize of \$4*.
- i. Each Powerball Second through Ninth prize shall be paid in one payment.

*All set prizes and Power Play prizes, including the Match 5 Second Tier Prize Category, may be reduced if claims exceed available prize fund. If the total of the original Powerball set prizes and Power Play prizes awarded in a drawing exceeds the percentage of the prize pool allocated to the set prizes and Power Play prizes, the Second through Fifth prizes and corresponding Power Play prizes, beginning with the highest set prizes, may be paid on a Pari-Mutuel rather than fixed prize basis, provided, however, that in no event shall the Pari-Mutuel prize be greater than the fixed prize. Powerball and Power Play prizes will be reduced by same percentage.

- 4. In a single drawing, a Claimant may win in only one prize category per single Powerball Panel in connection with Powerball Winning Numbers, and shall be entitled only to the highest prize.
- 5. All prizes, except for the Grand/Jackpot Prize and the Match 5 Second Tier Prize Category, are multiplied by the Power Play number. However, the Power Play prize for the Match 5 Second Tier Prize Category shall be fixed at \$2,000,000, regardless of the multiplier number selected. In certain rare instances, the Powerball set prize amount may be less than the amount shown. In such case, the eight (8) lowest Power Play prizes will be changed to an amount announced after the draw. For example, if the Match 4+1 Powerball set prize amount of \$50,000.00 becomes \$25,000.00 under the rules of the

Powerball game and a 5x Power Play multiplier is selected, then a Power Play player winning that prize amount would win \$125,000.

6. For purpose of prize calculation with respect to any Powerball Pari-Mutuel prize, the calculation shall be rounded down so that prizes shall be paid in multiples of whole dollars.

With respect to any Powerball Annuitized Grand Prize, the prize amount may be rounded to facilitate the purchase of an appropriate funding mechanism.

7. The number of prize categories and the allocation of the Prize Fund among the prize categories may be changed at the discretion of the Directors, for promotional purposes. Such change shall be announced by public notice.

I. Ticket Validation Requirements

1. To be a valid ticket and eligible to receive a prize, a ticket shall satisfy all the requirements established by the NCEL for validation of winning tickets sold through the NCEL's gaming system, NCEL Online Play System and any other validation requirements adopted by the MUSL Board and published as the Confidential MUSL Minimum Game Security Standards.
