REQUEST FOR QUOTATION (RFQ): NCEL Headquarters Security Installation of Access-Control Hardware

1. SCOPE OF SERVICES

The North Carolina State Lottery Commission d/b/a North Carolina Education Lottery ("NCEL" or "Commission") is relocating from 2728 Capital Blvd. Suite 144, Raleigh, NC 27604 to 8510 Colonnade Center Dr, Raleigh, NC 27615. As part of this move, we require installation only of preconfigured IP-based security devices, including:

- Infinias badge reader
- Infinias access-control door controllers
- Electric door strikes
- Wiring access control cable from the door controllers to peripherals
- Maglocks with Request to Exit sensors
- Elevator controls
- Installation may happen at different times based on the transition from the current location to the new location.

This Request for Quotation ("RFQ") invites qualified vendors to provide pricing for installation labor as detailed below. The NCEL reserves the right to make awards by line item, group of items, or in total, and may select different vendors for different portions of the RFQ.

2. EXISTING INTERNAL RESPONSIBILITIES

The NCEL has internal teams responsible for the following:

- Procuring access control hardware and associated power locking mechanisms. The model type is: EIDC+ Single Door Add Kit With Reader, CS750 Strike | 3xLOGIC
- Network installation team – All network cabling, network drops, and network connectivity for IP-based devices from the core network component to the door.
- Configuration team – All logical configuration, software setup, and system integration for devices and systems procured under this RFQ.
- Once RFQ submissions have been reviewed, the NCEL will work with the selected vendor to determine exact specifications for all access-controlled installations.
- The NCEL will provide the wiring that will run from the access control device to the network connection.
- All access control hardware and wiring will be provided by the NCEL.
- General Contractor for the building move will be responsible for cutting the area of the electric strikes.

Therefore:

- Vendors shall include costs associated with ONLY the **installation** for the access-control devices, **installation** of cabling to connect the device to the network, and the **installation** of maglocks with request to exit sensors.
- Vendor shall include the quantity (hours estimated) and a fixed per hour cost for labor. The NCEL will not accept any proposal that does not list quantity of estimated hours to complete the installation project.
- For maglock installation, connectivity to fire alarm systems will be coordinated with NCEL staff and the vendor at time of installation.

- Vendors shall NOT include costs for network cabling, switching, routing, or general network infrastructure of the NCEL.
- Vendors shall NOT include configuration or software setup services beyond basic device power-on verification and connectivity to a provided network drop.
- The vendor should be prepared to have the installation happen in phases, yet to be determined, that may happen by floor.
- **If the vendor requires additional installation hardware, a change order is required and will require an approval by the NCEL team before purchasing. This may include the NCEL team purchasing the hardware directly and providing it to the installation vendor.**

3. GENERAL TECHNICAL REQUIREMENTS

1. Warranty & Support
 - a. All installation shall include vendor's standard warranty.
 - b. Vendors must specify standard warranty duration and specifics and provide any optional extended warranty or support offerings as separate line items.

 - Infinias access-control door controllers
 - Electric door strikes
 - Wiring access control cable from the door controllers to peripherals
 - Maglocks with Request to Exit sensors
 - Elevator controls (installed inside each of the elevators). Existing controls permit the user to summon the elevator from any floor. The to-be-installed controls shall require a badge swipe to permit access from the first floor to the second, third, fourth, and fifth floors.
- Quantity:
 - 55 access-control points compatible with the company badge system.
 - Nine of the points described above will require maglocks and Request to Exit sensors.
 - Forty doors will be prepared for access control cut-ins, which means the vendor is only required to install the access control devices.

 - There are three pedestrian gates and one vehicle gate to a secured parking area.
- Location: 8510 Colonnade Center Dr., Raleigh, NC 27615

No direct or indirect contact or other solicitation initiated by Potential Contractors or their representatives, in connection with this Procurement, should occur with any Commission employee or Commission member other than the Contact Person. This contact limitation extends from the RFQ issuance date until an Apparent Successful Contractor has been approved by the Commission. Employees of current Contractors who are required to work with the Commission under existing contracts will be permitted to continue their regular contacts under that agreement; however, they may not have any discussions or exchange any information in connection with or regarding this Procurement or RFQ.

7.3 PROPOSAL VALIDITY; INCURRED EXPENSES

All proposals shall remain valid for one hundred eighty (180) calendar days (the "Offer Period") following the Proposal Submission Deadline. A proposal constitutes an offer by the Potential Contractor to contract with the Commission in accordance with the terms of the proposal and this RFQ, which offer is irrevocable for the duration of the Offer Period and may not be withdrawn or amended during the Offer Period without the written consent of the Commission, which may be granted or withheld in its sole discretion. The Commission shall not be liable or responsible for any costs, expenses, reimbursements, or fees incurred by a Potential Contractor in preparing and submitting a proposal or in performing any other action in connection with this Procurement.

7.4 BID SUBMISSION AND FORMAT

Proposals must be received by the Contact Person no later than the proposal Submission Deadline. A Responding Contractor may submit its unredacted proposal and supporting documents electronically to the Contact Person in PDF (or another appropriate) format.

In addition, Responding Contractor may include one redacted electronic copy of its proposal and supporting documents with information that Contractor deems confidential or contains trade secrets or such other proprietary rights as dictated by law redacted. **Pursuant to North Carolina Public Record Laws, in order for information to be maintained as confidential or trade secret, it MUST be received at the same time as the unredacted versions, and must be marked as "confidential" or "trade secret."**

Late proposals will not be accepted. Postmarks and/or shipping receipts will not be considered as proof of timely submissions. Also, the proposal must designate a single authorized official to serve as the sole contact between the Commission and the Contractor.

7.5 EVALUATION

A variety of factors (including, but not limited to, experience, integrity, proposed solution, satisfying specified requirements, cost/price and value to the Commission, background, minority business participation, and ability to perform the Contract) shall be considered by the Commission in determining the Successful Contractor it believes provides the best overall solution at a fair and reasonable price and consistent with the goals and objectives of the Commission.

These factors are not necessarily listed in the order of importance or weight. Thus, while Potential Contractors are strongly encouraged to offer the lowest price and total cost and highest value possible, the Potential Contractor offering the lowest price and total cost may not be selected as the Successful Contractor. The Commission will conduct a fair, comprehensive, and impartial evaluation of all proposals deemed responsive

It is not the intent of the Commission to disqualify any proposal based on minor technicalities. However, the Commission reserves the right to determine if a particular deficiency or inadequacy is significant enough to disqualify the proposal and Contractor. The Commission also reserves the right to disqualify the Contractor's proposal if the Contractor violates Section 7.2 of this RFQ. It is the intent of the evaluation procedure established by the Commission to determine whether each proposal meets the needs of the Commission, as outlined in this RFQ, and then to determine which proposal best suits those needs.

All proposals submitted will be evaluated for form and content in accordance with the provisions of this RFQ. Failure to provide pricing will result in disqualification. Failure to provide the required information such that the Commission is unable to evaluate your product(s) and compare it/them with the products of other bidders will result in disqualification.

Upon determining that any of the following would be in its best interests, the Commission may waive any formality; amend the solicitation; reject any or all offers received in response to this RFQ; waive any undesirable, inconsequential, or inconsistent provisions of this RFQ; if the response to this solicitation demonstrates a lack of competition, negotiate directly with one or more Responding Contractors; or take other appropriate steps.

Any contract awarded as a result of this RFQ process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be affected by sending written notice to the responding contractor. The Commission decision as to whether sufficient appropriations and authorizations are available will be accepted by the responding contractor as final. The Commission reserves the right to make partial, progressive or multiple awards where it is advantageous to award separately by items; where more than one supplier is needed to provide the contemplated specifications as to quantity, quality, delivery, service, geographical areas; or where other factors are deemed to be necessary or proper to the purchase in question.

7.6 DISPUTE PROCESS

All claims and disputes, including but not limited to protests related to this RFQ, the Procurement and the award of the Contract to the Successful Potential Contractor shall be handled solely and exclusively under and in accordance with the North Carolina Education Lottery Contractor and Bidding Dispute Resolution Process (the "**Dispute Process**"), as adopted and/or amended from time to time by the Commission. See the Commission's website at:

https://nclottery.com/Content/Docs/6.02_Contracting_and_Bidding_Dispute_Resolution_Process_v1.pdf

Any Potential Contractor that submits a proposal hereby expressly acknowledges and agrees that: (a) the Dispute Procedures represent the exclusive procedure and the exclusive forum for binding resolution of all claims, disputes, complaints and Dispute Resolution Requests of any kind relating in any way to any RFQ, Procurement, Contract, offer, quote, proposal, bid or agreement entered into by the Commission; (b) it is estopped from objecting to any court, agency or other entity as to the Dispute Procedures being such sole and exclusive forum for binding resolution; and (c) it agrees to be completely, solely and irrevocably bound by such Dispute Procedures. In addition, each Potential Contractor submitting a proposal irrevocably waives any claim it might have had to protest or object to this RFQ or its contents.

7.7 NEGOTIATION AND EXECUTION OF CONTRACT

A Successful Potential Contractor under this RFQ shall negotiate and execute a contract containing such terms and conditions as shall be satisfactory to the Commission.

Attachment E is a draft of the contract, which contains the terms and conditions required by the Commission. At the sole discretion of the Commission, certain provisions may be negotiated and modified subsequent to Contract award. Please be aware that, as an agency of the State of North Carolina, the Commission is limited in its ability to accept certain provisions that are commonly found in commercial non-governmental contracts.

The occurrence of negotiations with any Potential Contractor(s) conveys no right or status on such Potential Contractor(s). By submitting a proposal, each Contractor acknowledges and agrees that the Commission may negotiate with one or more Contractors, under such circumstances, at such times and in such a manner as Commission determines to be in the best interest of the Commission.

7.8 NONEXCLUSIVE RIGHTS

Nothing in this RFQ or any Contract resulting from this RFQ shall preclude the Commission from acquiring any related services from other Potential Contractors, individuals, or entities as the Commission, in its sole discretion, shall determine.

7.9 PROPOSAL SUBJECT TO PUBLIC RECORDS LAWS

All proposals, quotes, data, materials, and documentation originated, prepared, and submitted to the Commission pursuant to this RFQ shall belong exclusively to the Commission and may become available to the public in accordance with the North Carolina Public Records Act as provided in N.C.G.S. § 132-1 *et seq.* (the "**Public Records Laws**"). The Commission will make reasonable attempts to maintain, in accordance with the Public Records Laws and the Act and all applicable laws of the State of North Carolina and the United States of America (all of the forgoing being collectively defined as, the "**Applicable Laws**"), the confidentiality of any trade secrets or confidential information that meets the requirements of N.C.G.S. § 132-1.2 of the Public Records Laws (collectively, "**Confidential Information**") if such Contractors properly and conspicuously identify the particular data or other materials which are Confidential Information in accordance with the Public Records Laws. If an action is brought or threatened against Commission pursuant to N.C.G.S. § 132-9 to compel Commission to disclose information marked as confidential or a trade secret, Commission will promptly notify Potential Contractor in writing of such to allow Potential Contractor to determine if it will intervene and defend such action, Commission, and its commissioners, officers, and employees. If Potential Contractor opts to not intervene and defend such action and the Commission, its commissioners, officers, and employees, the Commission may, in its sole discretion decide whether to defend such action or release the requested records. The Commission shall have no liability to Potential Contractor with respect to any such disclosures.

7.10 PRICING OPTIONS

Potential Contractors are requested to provide costs for providing the requested deliverables detailed in this RFQ. Potential Contractors are also requested to propose rates for any additional optional and/or related equipment and services beyond the anticipated work under the RFQ. Potential Contractors are reminded that the cost quotation should cover all the equipment, services, and other items covered and required by this RFQ, as well as other services deemed necessary by the Contractors, to be provided by the Successful Contractor. Specifically, the Successful Contractor shall be responsible for all charges incidental to the routine conduct of business including, but not limited to any and all travel expenses including mileage, meals, telephone calls, facsimile, copying, color copies, shipping, postage and delivery charges from the Successful Contractor to the Commission.

If the Potential Contractor has more than one solution or pricing structure that may be appropriate, please submit pricing for all such options along with sufficient information to allow the Commission to determine the differences between the possible solutions.

7.11 PAYMENT

Unless the Commission expressly agrees in writing to a different payment term, the Successful Contractor shall be paid within thirty (30) days from the Successful Contractor's submission of an invoice to the Commission and after all services and deliverables have been provided to and accepted by the Commission. The Commission reserves the right to withhold payments for incomplete and unsatisfactory services and deliverables.

The North Carolina State Lottery Act has specific references to minority participation in the formation and operation of the Commission and requires compliance with N.C.G.S. Article 8 Chapter 143 as applicable. The Commission encourages participation by, and involvement of, minority-owned businesses. To achieve or exceed the goals established by the Act and Applicable Laws, and to provide equal business opportunities in the procurement process, the Commission encourages Potential Contractors to contract with minority-owned businesses whenever and wherever possible. Given the Commission policy regarding participation of minority businesses and the express provisions of the Act, a Potential Contractor shall carefully consider the inclusion, of, and shall commit not to discriminate against, minority businesses in the development of its proposal and provisions of its services.

3. SUBCONTRACTORS

A. VENDOR shall not subcontract or otherwise assign any or all of its rights, duties or obligations under this Agreement to any individual or entity without the prior written consent of the Commission in each instance, which consent may be withheld in the Commission’s sole discretion. The Commission shall have the right to approve or disapprove of any subcontractor. VENDOR will provide the Commission with the name, qualifications, experience and expected duties of each proposed subcontractor under this Agreement each time it desires to retain a subcontractor. All approved subcontractors, sub-vendors, employees, joint venturers, partners or other parties working with or for VENDOR in performing or providing Services and Deliverables under this Agreement or for the Commission will be defined collectively as the “**Subcontractors**” and individually as a “**Subcontractor**” and will become a Subcontractor for purposes hereof and must

execute such agreements or other documentation as may be necessary pursuant to the Act or as the Commission may require. VENDOR agrees that it will obtain the prior consent of the CEO or their designee(s) prior to having any Subcontractor perform any activities for the Commission under this Agreement.

B. Upon the request of the Commission, VENDOR will promptly provide the Commission with copies of all subcontracts and other agreements entered into by VENDOR with respect to its obligations under this Agreement. No such subcontract or other agreement may contain any terms or conditions inconsistent or in conflict with the terms and conditions contained in this Agreement. In the event of any such inconsistent or conflicting provisions, such inconsistencies or conflicts will be resolved in favor of this Agreement.

C. The Commission shall have the right, at any time and from time to time, to instruct VENDOR not to use the services of any Subcontractor, individual or employee in connection with the work to be performed for the Commission under this Agreement, and VENDOR agrees to comply with all such instructions.

D. Notwithstanding anything herein to the contrary, VENDOR will remain fully liable and responsible for all Services and Deliverables and work to be performed under this Agreement, whether or not subcontracted to or performed by a Subcontractor or any other person or entity retained by VENDOR or under VENDOR's control, and VENDOR will ensure the compliance of its employees, and will exercise its best efforts to ensure the compliance of, and in any event be responsible for, Subcontractors and their employees with the terms of this Agreement, the Act and all other applicable laws which govern the performance and provision of Services and Deliverables pursuant to this Agreement and such other standards or policies as the Commission may establish from time to time.

4. INDEPENDENT CONTRACTOR

A. Both the Commission and VENDOR, in the performance of this Agreement, will be acting in their own separate capacities and not as agents, employees, partners, joint venturers or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees, agents, or partners of the other party for any purposes whatsoever. Neither party will assume any liability for any injury (including death) to any persons, or any damage to any property or other claim arising out of the acts or omissions of the other party or any of its agents, employees, or subcontractors. It is expressly understood and agreed that VENDOR is an independent contractor of the Commission in all manners and respects and that neither party to this Agreement is authorized to bind the other party to any liability or obligation or to represent that it has any such authority, except for the limited authority of VENDOR to procure selected materials and services as authorized by the Commission and as specifically set forth in, and subject to the limitations described in, the RFQ and/or this Agreement. No Subcontractor is authorized to bind the Commission to any liability or obligation or to represent that it has any such authority.

B. VENDOR shall be solely responsible for all payments to Subcontractors and all compensation, withholding taxes and benefits for its employees and for providing all necessary unemployment and workmen's compensation insurance for its employees.

5. COMPENSATION

A. As full and complete compensation for all Services and/or Deliverables provided by VENDOR pursuant to this Agreement, the Commission will pay VENDOR, and VENDOR will accept, an amount (the “Vendor’s Fee”) equal to _____.

B. VENDOR shall be responsible for all charges incidental to the routine conduct of business including, but not limited to travel, mileage, meals, telephone calls, copying, color copies, postage, and delivery charges from VENDOR to the Commission.

C. Except as otherwise provided herein, the Commission shall not under any circumstances be liable or responsible for any costs, expenses, reimbursements, or fees incurred by VENDOR or Subcontractors (or any other individual or entity) in connection with any Services and Deliverables or the VENDOR’s performance under this Agreement.

D. Subject to the availability of funds and any other restrictions imposed by the Act, the “Governing Laws and Regulations” (as defined in Section 13) of this Agreement, the Commission will pay to VENDOR all non-disputed amounts due under this Agreement within thirty (30) days upon receipt and verification of the VENDOR’s invoice, unless the parties otherwise agree upon a less frequent payment schedule, in accordance with the policies and procedures established by the Commission from time to time and subject to setoff or offset for all sums owed by VENDOR or its Subcontractors. Electronic billing shall be available to the Commission.

E. In addition to any and all rights available to the Commission, the Commission reserves the right to withhold any monies and/or payments for incomplete and unsatisfactory services and deliverables.

6. TERM

The term of this Agreement shall commence on the date of the last signature below (the “Effective Date”) and, unless sooner terminated in accordance with the provisions of Section 18 or other provisions of this Agreement and the RFQ, expire on April 1, 2026, (the “Term”).

7. WORK STANDARD

A. VENDOR hereby agrees that it and its Subcontractors shall at all times comply with and abide by all terms and conditions set forth in this Agreement, all applicable policies and procedures of the Commission and all requirements of the Act and Governing Laws and Regulations. VENDOR further agrees that it and its Subcontractors shall perform their respective duties and responsibilities as set forth in this Agreement by following and applying the highest professional and technical guidelines and standards applicable to the VENDOR’s industry.

B. VENDOR hereby agrees that it and its Subcontractors will perform their respective duties and responsibilities as set forth in this Agreement with integrity and dignity and free from political influence, collusion, and fraud. VENDOR further agrees that and none of its Subcontractors, or any of their respective employees or agents will solicit or accept, or attempt to solicit or accept, any kickbacks or other inducements from any offeror, supplier,

manufacturer, subcontractor or other individual or entity in connection with the performance of its obligations under this Agreement.

C. If the Commission becomes dissatisfied with the Services and Deliverables or work product of or the working relationship with any of the individuals assigned to perform Services and Deliverables under this Agreement by VENDOR or any Subcontractors, the Commission may require the prompt replacement of any or all of such individuals. Important personnel, whether or not identified in VENDOR's Proposal as performing or providing Services and Deliverables under this Agreement, will continue to perform in their designated capacities until such Services and Deliverables are completed unless: (i) they cease to be employed by VENDOR or a Subcontractor; (ii) the Commission requests their removal, in which case a person or persons of suitable competency and acceptable to the Commission, in its discretion, will be substituted forthwith; or (iii) VENDOR wishes to have them replaced by someone of equal or better qualifications and VENDOR obtains Commission's prior written consent to such change.

D. Nothing in this Section 7 shall be construed to prevent VENDOR from using the services of others to perform tasks ancillary to those tasks which directly require the expertise of such key personnel, including secretarial, clerical, and common labor duties. VENDOR shall at all times remain responsible for the performance of all necessary tasks under the scope of this Agreement, whether performed by key personnel or other workers.

E. Nothing in this Agreement shall prohibit the Commission from retaining the services of any individual or entity, whether or not such or similar services were initially contemplated to be performed by VENDOR or a Subcontractor. The Commission is not prohibited by this Agreement from retaining the services of any individual or entity, and it is under no obligation to exclusively use the Services and Deliverables of VENDOR or any Subcontractors.

F. VENDOR hereby designates _____, or such other person or persons as it may from time to time notify the Commission, as its primary contact with the Commission for purposes of this Agreement. VENDOR must notify the Commission, in writing and within five (5) business days, regarding designation of a new primary contact person for the VENDOR.

8. CHANGES IN WORK

By written or oral request of the CEO or their designee(s) to VENDOR, the Commission may from time to time make changes in the Services and Deliverables to be provided by VENDOR or any Subcontractor, or the place of performance or provision of any Services and Deliverables. VENDOR and all applicable Subcontractors shall promptly comply with such requests and take all necessary or appropriate actions to effect such change. If such changes add material obligations or expenses not contemplated by this Agreement (including the Answers, RFQ or Proposal), the Commission and VENDOR shall negotiate in good faith any changes required to this Agreement or the compensation to be provided pursuant hereto.

9. BOOKS AND RECORDS

Upon request of the Commission, VENDOR and each Subcontractor shall provide to the Commission a copy of its latest audited financial statements for such year; provided,

however, if VENDOR and/or a Subcontractor does/do not obtain audited financial statements, then its/their financial statements must be certified by its chief financial officer. VENDOR and all Subcontractors shall maintain all books, documents, papers, accounting records and other evidence pertaining to the Services to be performed and provided under this Agreement in accordance with the Act, Governing Laws and Regulations, generally accepted accounting principles and any other applicable procedures established by the Commission from time to time. VENDOR and all Subcontractors shall make all such materials available at its offices at all reasonable times during the term of this Agreement and for five (5) years after the date of final payment under this Agreement, for inspection by the Commission, by any authorized representative of the Commission and/or the State of North Carolina Auditor of State's Office ("**State Auditor**"), and copies thereof shall be furnished to the Commission and/or the State Auditor by the appropriate entity, at no cost to the Commission or the State Auditor, if requested by the Commission or the State Auditor. The Commission and/or the State Auditor shall have the right to audit the records and operations of VENDOR and each Subcontractor with respect to the Services to be performed and provided pursuant to this Agreement. VENDOR and Subcontractor shall also comply with all other requirements of the Act and Governing Laws and Regulations.

A. For purposes of this Agreement, when identified in writing or otherwise explicitly indicated, at the time of initial disclosure:

(i) "**Confidential Information**" means any and all items or information of a party which are: (A) marked "Confidential" or some such similar designation; or are (B) valuable, proprietary and confidential information belonging to or pertaining to such party that does not constitute a "Trade Secret" (as hereafter defined) and that is not generally known but is generally known only to said party and those of its employees, independent contractors or agents to whom such information must be confided for business purposes, including, without limitation, information regarding said party's customers, suppliers, manufacturers and distributors. For purposes of this Agreement, the financial statements provided pursuant to Section 9 of this Agreement shall be deemed to be VENDOR's Confidential Information; and

(ii) a "**Trade Secret**" means business or technical information, including but not limited to a formula, pattern, program, device, compilation of information, method, technique, or process that: (A) derives independent actual or potential commercial value from not being generally known or readily ascertainable through independent development or reverse engineering by persons who can obtain economic value from its disclosure or use; and (B) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

B. In recognition of the need of VENDOR to protect its legitimate business interests, **provided that such information is designated or indicated as "Confidential" or "Trade Secret" at the time of its initial disclosure to the Commission**, the Commission hereby covenants and agrees that with regard to any: (i) VENDOR Confidential Information, at all times during the term of this Agreement and for a period of three (3) years following the expiration or termination of this Agreement for any reason; and (ii) VENDOR Trade Secrets, at all times such information remains a Trade Secret under applicable law, the Commission will regard and treat all such items as strictly confidential

and wholly owned by VENDOR and will not, for any reason or in any fashion, either directly or indirectly use, disclose, transfer, assign, disseminate, reproduce, copy, or otherwise communicate any such VENDOR Confidential Information or VENDOR Trade Secrets to any individual or entity for any purpose other than in accordance with this Agreement, pursuant to the instructions from a duly authorized representative of VENDOR or except to the extent necessary to fulfill the purposes of this Agreement, its licensing and/or regulatory obligations under the Act, or conduct the North Carolina Education Lottery. The Commission shall not be liable; however, to VENDOR or to any other person or entity, if despite the Commission's reasonable efforts, VENDOR Confidential Information or Vendor Trade Secrets are disclosed in breach of the foregoing. Notwithstanding anything hereto the contrary the Act, the Governing Laws and Regulations, the Open Meetings Law G.S. § 143-318.9 *et seq.* and the Public Records Law G.S. § 132-1 *et seq.* (collectively, the "**Superseding Provisions and Statutes**") shall supersede and control any provision of this Agreement, and the Commission's confidentiality and nondisclosure obligations and liabilities set forth herein, or in the RFQ or Proposal, shall be subject to, and never be greater than, as set forth in any of the Superseding Provisions and Statutes. If an action is brought pursuant to N.C.G.S. § 132-9 to compel Commission to disclose information marked as confidential or a trade secret, VENDOR agrees that it will intervene in the action through its counsel and participate in defending the Commission, including any public official(s) or public employee(s). Commission agrees to promptly notify VENDOR in writing of any action seeking to compel the disclosure of VENDOR Confidential Information. Commission shall have the right, at its option and expense, to participate in the defense of the action through its counsel. The Commission shall have no liability to VENDOR with respect to the disclosure of VENDOR Confidential Information ordered by a court of competent jurisdiction pursuant to N.C.G.S. § 132-9 or other applicable Law.

C. In recognition of the need of the Commission to protect its legitimate business interests, VENDOR hereby covenants and agrees that with regard to any: (i) Commission Confidential Information, at all times during the term of this Agreement and for a period of three (3) years following the expiration or termination of this Agreement for any reason; and (ii) Trade Secrets, at all times such information remains a Trade Secret under applicable law, VENDOR and all Subcontractors will regard and treat all such items as strictly confidential and wholly owned by the Commission and will not, for any reason or in any fashion, either directly or indirectly use, disclose, transfer, assign, disseminate, reproduce, copy, or otherwise communicate any such Commission Confidential Information or Commission Trade Secrets to any individual or entity for any purpose other than in accordance with this Agreement or pursuant to the instructions from a duly authorized representative of the Commission. In addition, to the extent the Act or any other Governing Laws and Regulations law imposes any greater restrictions or prohibitions with respect to any Commission Confidential Information, Commission Trade Secrets or other information or property of the Commission, VENDOR covenants and agrees that it and all Subcontractors shall comply with such greater restrictions or prohibitions. To ensure the compliance by it and all Subcontractors with the provisions of this Section 10(C), VENDOR shall use its best efforts, including, without limitation, obtaining written confidentiality agreements with all Subcontractors which incorporate requirements no less restrictive than those set forth herein and which contain provisions which permit Commission to independently enforce the requirements set forth in such agreements.

D. Notwithstanding the foregoing, the nondisclosure restrictions of Section 10(B) shall not apply to either party's information that is: (i) generally known to the public other than due to a disclosure by the Disclosing Party; (ii) already known to the Receiving Party at

the time it is disclosed by the Disclosing Party to the Receiving Party; (iii) independently developed by the Receiving Party; or (iv) received by the Receiving Party from a party that the Receiving Party believed in good faith had the right to make such disclosure.

E. Neither the VENDOR nor any of its approved Subcontractors shall have any proprietary rights or interests in any intellectual properties (including, without limitation, patents, copyrights, equipment, firmware, mask works, trademarks (and the goodwill associated therewith) and service marks (and the goodwill associated therewith)) (all of the foregoing being collectively defined as the “**Intellectual Property Rights**”) products, materials, intellectual properties developed, data, documentation, approaches, systems, programs, methodologies, designs, specification, or concepts, ideas or other content or items of any kind or nature developed, produced or provided in connection with the Services provided for the Commission under this Agreement (collectively, the “**Commission Intellectual Properties**”). All deliverables, written materials, designs, specifications, tangible or intangible materials, intellectual or other property or other work product of any kind or nature produced, revised, created, modified or prepared by VENDOR and any of its Subcontractors in connection with this Agreement, the RFQ or for the Commission (collectively, the “**Work Product**”) will be deemed, to the greatest extent possible, “work made for hire” under Section 101 of the United States Copyright Act, 17 U.S.C. Section 101 to be exclusively owned by the Commission. To the extent that any Work Product does not qualify as a “work made for hire,” VENDOR and each of the Subcontractors hereby irrevocably transfer, assign and convey to the Commission all right, title and interest in the Work Product, together with all copyrights, patents, trade secrets, confidential information, trademarks and service marks (and the goodwill associated therewith) and rights (all of the foregoing being collectively defined as the “**Intellectual Property Rights**”), free and clear of any liens, security interests, hypothecations, pledges, claims or other encumbrances of any kind or nature, to the fullest extent permitted by law. At the Commission’s request, VENDOR and its Subcontractors shall execute, and shall cause its or their personnel to execute, all assignments, applications, writings, instruments or other documentation of any kind or nature deemed necessary or beneficial by the Commission so that the Commission may perfect or protect its rights as provided herein. VENDOR and its Subcontractors shall require its and their employees, and permitted agents, independent contractors, and consultants to execute agreements assigning all of their rights in the Work Products, and all Intellectual Property Rights therein, to the Commission, directly or indirectly, and shall provide the Commission with documentation evidencing its compliance with this requirement upon the Commission’s request. The intent of the Commission is that the Commission is the sole owner of, and is able to continue to use any or all of, the Work Product that it chooses in the conduct of its lottery games and other activities.

11. **NONDISCRIMINATION**

A. Neither VENDOR nor any Subcontractors shall discriminate against any employee or applicant for employment because of their race, color, religion, sex, sexual orientation, gender identity, handicap, disability, national origin, or ancestry. Breach of this covenant by VENDOR, or VENDOR’s failure to use its best efforts to require all Subcontractors to comply with this covenant, may be regarded as a material breach of this Agreement. VENDOR and Subcontractors shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, handicap, disability, national origin, or ancestry.

B. Consistent with the Act and all other applicable North Carolina laws, VENDOR agrees to make every reasonable effort to include the participation by minorities in the performance and provision of its Services and Deliverables pursuant hereto. Specifically, and without limitation, any human resources services performed for the Commission will include appropriate attention to the hiring and training of qualified minority applicants in accordance with the Act, all Governing Laws and Regulations, and the policies and procedures adopted by the Commission from time to time.

12. LIMITATION OF LIABILITY

Any and all payments to VENDOR are expressly contingent upon and subject to the appropriation, allocation and availability of funds to the Commission for the purposes set forth in the Agreement. If the term of the Agreement extends into fiscal years subsequent to that in which it is approved, such continuation of the Agreement is expressly contingent upon the appropriation, allocation and availability of funds by the N.C. Legislature for the purposes set forth in this Agreement. If funds to effect payment are not available, the Commission will provide written notification to Vendor. If the Agreement is terminated under this paragraph, Vendor agrees to take back any affected Deliverables not yet delivered under the Agreement, terminate any Services supplied to the Commission under the Agreement, and relieve the Commission of any further obligation thereof. The Commission shall remit payment for Services and Deliverables accepted prior to the date of the aforesaid notice in conformance with the payment terms.

13. COMPLIANCE WITH LAWS

VENDOR agrees to comply with all applicable rules, procedures and regulations adopted from time to time by the Commission under the Act and all other applicable federal, state, and local laws, rules, regulations, ordinances, or executive orders, including, without limitation, the Americans with Disabilities Act of 1990 (42 U.S.C. §§ 1201 *et seq.*) and all other labor, employment and anti-discrimination laws, and all provisions required thereby to be included herein, are hereby incorporated by reference (all of the foregoing being sometimes referred to collectively as the “**Governing Laws and Regulations**”).

14. ANTITRUST ACTIONS

VENDOR hereby conveys, sells, assigns, and transfers to the Commission all of its right, title, and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States of America and the State of North Carolina relating to any Services or Deliverables provided by VENDOR to the Commission under this Agreement.
