

**RFP – LC000068 SCRATCH-OFF TICKET PRINTING AND RELATED  
SERVICES Q&A #16**

- 1. General Question** - Can the Lottery provide its average number of out-of-stocks in vending machines and SciQ units?

**Answer:**

- *LVM out-of-stocks are currently averaging 3.3% over last 13 weeks*
- *Sci Q out-of-stocks are currently averaging 5.5% over last 13 weeks*

- 2. 1.37 Minority Businesses Participation** - Would minority vendors registered and certified in states other than North Carolina be accepted as minority vendors for this Program?

**Answer:** *Yes, with proof of such certification.*

- 3. 5.3 Base Price – SECONDARY** - Can the Lottery please specify what price points and pack sizes correspond to the 5"x4" and 14"x4" ticket sizes listed in the Secondary Contract Pricing Grid outlined in section 5.3?

**Answer:** *At this point and time, Lottery does not offer games utilizing the 5"x4" and 14"x4" ticket sizes. Lottery reserves the ability to offer these in the future.*
