

Request for Quote – Security Auditor and Related Services Q&A

Potential Vendors,

I have a question and answer response that we received pertaining to the RFQ – Security Auditor and Related Services

My question is related to Affidavits A, B, and C in Attachment E (Equal Business Opportunity Forms).

I understand that we need to return either:

- Affidavits A & B

Or

- Affidavit C

If we submit Affidavit C, does that nullify the requirement in Affidavit B to “earn at least 50 points from the good faith efforts listed for their Proposal to be considered responsive”? Some of the good faith effort items in Affidavit B require a certain number of business days, so I just want to quickly double-check if all bidders are required to earn 50 points from good faith efforts – or, if that is only a requirement of firms returning Affidavits A & B.

Answer: Affidavit C will negate requirement for responding with Affidavits A & B. Also, responding contractors will not be disqualified from evaluation if they fail to earn 50 points from good faith efforts.

Thanks,

Best Regards,

Anthony Downey
