\$3	10.00	372,000

\* Approximate overall odds of winning including break even prizes are: 1 in 3.99.

\*\* The number of prizes are approximate based on the number of tickets printed. Chances of winning and the number of prizes are established at the time of printing and will change as prizes are won.

# Bingo Extra

## How to Play

1. Scratch off the "Caller's Card" area to reveal 28 Bingo numbers.
2. Gently scratch all numbers on Card 1 through Card 4 that match the numbers revealed on the Caller's Card.
3. If on any of the Cards 1 - 4 you match all numbers in one complete horizontal, vertical or diagonal line; or four corners; or an "X" (includes 8 numbers + "FREE"), you win prize in the prize legend corresponding to that card.

**TO WIN:** Each card has a corresponding prize legend printed next to that card.  
On any card:

1. Match all numbers in a complete horizontal, vertical or diagonal line to win \$3 to \$20 (diagonal must include "FREE" space).

2. Match all numbers in all 4 corners to win \$20 to \$200.

3. Match all numbers that make a complete "X" (8 numbers and "FREE" space) to win \$250 to \$75,000.

### EXTRA PLAY:

Scratch only those Bingo Numbers in the EXTRA PLAY card that match the CALLER'S CARD Numbers. Match all Bingo Numbers in a complete vertical or horizontal line, win the prize shown in the corresponding arrow for that line.  
Note: Only the highest prize per Bingo Card will be paid.

**NOTE:** You may win a prize on each of the four cards on this ticket. However, you cannot win more than one prize per card. If more than one win is possible, such as with an "X", you win only the highest of the possible prizes.
